June 25, 2020

Dear Governor Herbert:

The Public Health and Economic Emergency Commission met on June 25, 2020, and discussed mask wearing as a means to limit the spread of COVID-19. The Commission unanimously recommended that a portion of the \$1 million that was appropriated to the COVID-19 Outreach and Education Program in H.B. 5010 during the 2020 5th Special Session be used to promote mask wearing. The Commission also unanimously expressed its support for mask wearing by all Utahns to limit the spread of COVID-19 and for your efforts to encourage mask wearing.

Sincerely,

Senator Daniel Hemmert
